

CHÂTEAU LA GURGUE VINTAGE 2024 THE LIGHT AND FRAGRANT FRUIT

THE RARE EXPRESSION OF A LIVING MARGAUX

Born of a demanding vintage, Château La Gurgue 2024 embodies the success of **committed, regenerative viticulture**, pursued with conviction for over ten years. This wine reveals itself as **rare, precious**, and marked by a unique brightness: that of **fresh, vibrant fruit to be enjoyed now**.

THE LIGHT AND FRAGRANT FRUIT

From the very first moments, this Margaux charms with its **suppleness, drinkability, and airy freshness**. A lively wine, driven by juicy notes of **dark fruits** and a **delicate touch of spice** thanks to 15% Petit Verdot.

Its ageing, mostly in demi-muids and large oak casks, perfectly preserves **the purity of the fruit**, making it ideal for immediate tasting.

Accessible from 2027, this vintage is an **invitation to rediscover Margaux in its most fruity and energetic form**. Seasoned enthusiasts will see a new facet of Margaux, while those seeking freshness will find an ideal introduction to the **world of great organic and biodynamic wines**.
