VINTAGE 2024
THE LIGHT AND FRAGRANT FRUIT

CHÂTEAU LA GURGUE

The 2024 vintage, with its set of challenges, gave us a new opportunity to express the fruit of Château La Gurgue with as much precision as possible.

Its supple, airy, lively character, marked by fresh fruit, makes this vintage one to enjoy right now. The small yields we obtained make it rare and precious, but they also allowed us to emerge strengthened and even more committed to the regenerative viticulture we have been practicing since 2012.

« The low extraction during vinification allowed us to preserve all the freshness of the fruit offered by the vintage, making Château La Gurgue 2024 a wine for immediate enjoyment. »

Claire Villars-Lurton
Propriétaire

A VINTAGE TO ENJOY IN ITS YOUTH

Few vintages offer such great drinkability in their youth. Dark fruits and airy freshness make this vintage a wine of great fluidity that will charm both seasoned Bordeaux enthusiasts and new consumers seeking freshness and vibrant wines.

15%

of Petit Verdot in the Château La Gurgue 2024 blend, which adds a spicy touch to the balance of this fruity wine.

75%

of the blend is aged in demi-muids and large oak casks, allowing the fruit's freshness to remain intact.

100%

Since 2012, 12 hectares of Château La Gurgue have been cultivated using agroecology.

The vineyard is also certified organic and biodynamic (Demeter and Biodyvin).
